This vacation itinerary allows your group to experience two distinctly different European capital cities and their respective charms. The Netherlands welcomes visitors with picturesque canals, colorful flower markets and a laidback atmosphere. Its history centers on the merchants and fishermen who leveraged the city’s location and waterways. As the capital of Belgium and the unofficial capital of the European Union, Brussels houses a remarkable mix of cultures. While the majority of its residents speak French, visitors to Brussels will also encounter many Flemish speakers. And – due to Brussels’ international presence, you’ll hear a lot of English spoken here as well. Its terrific mix of cultures, rich heritage, excellent museums, green parks and exceptionally tasty food are just a few reasons to spend some time enjoying Brussels. As part of this itinerary, the group will also experience the Flemish Region of Belgium with day trips to Ghent & Bruges.

**DAY 1 ~ ARRIVE AMSTERDAM**
Arrive in Amsterdam, the capital of the Netherlands. After exiting customs, meet your local assistant in the terminal’s arrivals hall. Your group will then travel by private coach to the hotel. Even though your group will arrive before the hotel’s check-in time, feel free to store your luggage with the reception staff. There will be free time until this evening to begin exploring Amsterdam. Consider visiting one of its excellent museums like the Rijksmuseum or the Van Gogh Museum. Tonight join your fellow group members for a welcome dinner of Dutch specialties in the hotel’s restaurant.

**DAY 2 ~ AMSTERDAM**
After breakfast in the hotel, your group will meet a local guide in the lobby for an exciting tour of this scenic city. Approximately 800 years ago, the Amstel River was dammed, giving the town its name. Where medieval fishing boats once docked, your group will see 17th century houses, street performers and some of the city’s most luxurious stores. Here in Dam Square lies the historic heart of Amsterdam. See the Royal Palace, which was originally constructed as the Town Hall. Pass the Mint Tower, with its clock and bells that still seem to echo Amsterdam’s Golden Age. Also of particular interest is the 16th-century Weeping Tower, which according to legend derived its name from the sailors’ wives who used to bid their husbands an emotional farewell from here. Then we’ll pass the Floating Flower Market on Singel Canal, which is a stunning mass of flowers strung along the canal on permanently-moored barges. After free time for lunch, the group will proceed to the Anne Frank House, where eight people from three separate families lived together in near total silence for more than 2 years during World War II. It was here that Anne wrote her famous diary as a way to deal with the boredom and her youthful jumble of thoughts, which had as much to do with personal relationships as with the war and the Nazi terror raging outside her hiding place.

During the tour your group will visit one of Europe’s most beautiful squares, the Grand Place, which is home to the medieval Town Hall. line Ghent’s canals. After the tour, the group will return to the hotel in Brussels by private coach. A group dinner is not scheduled tonight, so group members can go out and individually explore Brussels’ superb foodie scene.

**DAY 7 ~ BRUSSELS**

During the visit to Bruges, there will be free time for lunch and shopping before all group members meet back up with the local guide who will accompany the group back to its private coach. After boarding the coach, the group will return to the hotel in Brussels. After freshening up, the group will dine together in a local restaurant on its last evening in delightful Brussels.

**DAY 8 ~ BRUSSELS**

After breakfast and check-out, the group will travel to the airport for its return flight to the US.

Amsterdam & Prague

8 DAYS / 7 NIGHTS - GROUP TRAVEL
SUGGESTED ITINERARY - CAN BE CUSTOMIZED

This vacation itinerary allows your group to experience two distinctly different European capital cities and their respective charms. The Netherlands welcomes visitors with picturesque dreamy canals, colorful flower markets and a laidback atmosphere. Its history centers on the merchants and fishermen who leveraged the city’s location and waterways. Prague awes visitors with its fairytale skyline, fascinating history and historic castle. Once part of the mighty Habsburg Empire, its architecture reflects its rich heritage and culture.

**DAY 1 ~ ARRIVE AMSTERDAM**

Arrive in Amsterdam, the capital of the Netherlands. After exiting customs, meet your local assistant in the terminal’s arrivals hall. Your group will then travel by private coach to the hotel. Even though your group will arrive before the hotel’s check-in time, feel free to store your luggage with the reception staff. There will be free time until this evening to begin exploring Amsterdam. Consider visiting one of its excellent museums like the Rijksmuseum or the Van Gogh Museum. Tonight join your fellow group members for a welcome dinner of Dutch specialties in the hotel’s restaurant.

**DAY 2 ~ AMSTERDAM**

After breakfast in the hotel, your group will meet a local guide in the lobby for an exciting tour of this scenic city. Approximately 800 years ago, the Amstel River was dammed, giving the town its name. Where medieval fishing boats once docked, your group will see 17th century houses, street performers and some of the city’s most luxurious stores. Here in Dam Square lies the historic heart of Amsterdam. See the Royal Palace, which was originally constructed as the Town Hall. Pass the Mint Tower, with its clock and bells that still seem to echo Amsterdam’s Golden Age. Also of particular interest is the 16th-century Weeping Tower, which according to legend derived its name from the sailors’ wives who used to bid their husbands an emotional farewell from here. Then we’ll pass the Floating Flower Market on Singel Canal, which is a stunning mass of flowers strung along the canal on permanently-moored barges. After free time for lunch, the group will proceed to the Anne Frank House, where eight people from three separate families lived together in near total silence for more than 2 years during World War II. It was here that Anne wrote her famous diary as a way to deal with the boredom and her youthful jumble of thoughts, which had as much to do with personal relationships as with the war and the Nazi terror raging outside her hiding place. The tour will finish in the city center, and the rest of the day is free to shop, to wander alongside Amsterdam’s canals and to sample more of this country’s cuisine.
DAY 3 ~ AMSTERDAM
After breakfast in the hotel your group will depart on a full-day excursion of windmills and tulips. The first stop today will be in Zaanse Schans, a neighborhood in the town of Zaandam, to admire its collection of historic windmills and its traditional craft shops. Afterwards, the group will travel south to the lovely city Haarlem, where the group will have free time for lunch. Afterwards, continue south to the city of Lisse to tour the legendary Keukenhof Gardens where vast numbers of tulips, daffodils and hyacinths create dazzling patches of color. Blooms here - at their peak- have a short but glorious season. The park is said to be the greatest flower show on earth, and it’s Holland’s annual spring gift to the world. (Note: Keukenhof is only open from March to May. For groups traveling outside of that time, a guided tour of Haarlem is highly recommended with a possible inside visit of the Corrie ten Boom Museum. Alternative ideas include a visit to Delft to tour one of its famous porcelain workshops or a tour of Volendam to visit a cheese farm).

DAY 4 ~ AMSTERDAM
This morning is free to relax, sleep in, shop or sightsee. For those wanting to relax, consider heading to Voldelpark, Amsterdam’s loveliest park. Lunch is on your own. This afternoon’s guided tour will consist of a fun boat tour of Amsterdam. This is undoubtedly the best way to appreciate this city of canals. Afterwards, the group will undergo the Heineken Experience, a self-guided tour at its former brewery. Learn all about one of the Netherlands’ best exports. The group will go straight to a local restaurant for a farewell-to-the-Netherlands dinner (included). After dinner group members can walk back to the hotel or stay in the center.

DAY 5 ~ PRAGUE
After breakfast the group will check out and transfer by private coach to Amsterdam’s Schiphol Airport for your short flight to Prague. Upon arrival your group will be transferred to the hotel by private coach. Prague's position at the crossroads of Europe has made it a magnet for foreign traders since before recorded history. By the early 10th century it had developed into a thriving town with a large marketplace (the Old Town Square) and two citadels (Prague Castle and Vyšehrad), from where its first ruling dynasty, the Přemyslids, conducted their many family feuds. Tonight the group will dine together in the hotel’s restaurant.

DAY 6 ~ PRAGUE
After breakfast, your group will embark on a full-day sightseeing tour of this fairytale city. The journey begins as your group crosses the Vltava River, which has played a vital part in Prague’s history and has provided inspiration for artists, poets and musicians throughout the centuries. Many bridges cross the river and you will visit the most famous one, the Charles Bridge, which was completed approximately in the 15th century. It is perhaps Prague’s most familiar monument and connects the Old Town with the Little Quarter. We’ll continue to the Prague Castle complex, a UNESCO World Heritage Site. The history of Prague begins with the castle, founded in the 9th century by Prince Borivoj. The castle has since been rebuilt many times. After a disastrous fire in 1541, the badly damaged buildings were rebuilt in Renaissance style. The castle enjoyed its cultural heyday under Rudolph II. Later,
the Hapsburgs who resided in Vienna used the castle only occasionally. Since 1918, it has been the seat of the president of the Republic. Your guided tour of the castle complex will feature the St. Vitus Cathedral, the Old Royal Palace, the Basilica of St. George, the 16th century Golden Lane and Daliborka Tower. After the tour at Prague Castle your group will proceed to the Old Town Square to see the Astrological Clock, which was built in the beginning of the 1400’s. The guided tour will finish at the hotel, and the evening is free for group members to continue visiting Prague on their own.

**DAY 7 ~ PRAGUE**

After breakfast, meet your local guide in the hotel lobby for a morning excursion by private coach to the spectacular Karlstejn Castle, a medieval structure commissioned by Charles IV in the 14th century. Your group will enjoy an excellent guided tour with admission included inside the castle. Before returning to the hotel in Prague, your group will have lunch at a local restaurant that serves up traditional Czech fare (included). Upon arriving to the hotel, enjoy the remainder of the afternoon to visit more in Prague on your own. A group dinner is not included on today’s program, but all group members should be back to the hotel at the agreed meeting time for tonight’s performance at the State Opera House or concert venue.

**DAY 8 ~ PRAGUE**

After check-out, your group will transfer this morning to Prague International Airport for your return flight to the USA.

**WHY TRAVEL WITH US?**

Spend just under two weeks extensively exploring the treasure that is the country of Croatia. While not large in size, this country is absolutely mammoth in terms of historical and cultural value. Its vivid past includes Greek colonies, the Roman Province of Dalmatia, the medieval maritime Republic of Ragusa, the Hapsburg monarchy, the Ottoman Conquest - and more recently, the former Yugoslavia. Geographically-speaking, you’d be hard-pressed to find a vacation destination with as many fantastic national parks, turquoise beaches, breathtaking coastline, thousands of islands (and good seafood), hills, fjords, amazing lakes, mountains and vineyards. This itinerary will show you the best of Croatia, and while there you’ll realize that the friendliness of the Croatians ranks right up there with the nature, seafood, wine and history.

**DAY 1 ~ ARRIVE SPLIT**
Arrive in the historic city of Split, the second largest city in Croatia and a major port city on the Adriatic Sea. Split’s city center, which contains the ruins of a magnificent, 3rd-century Roman palace belonging to the Emperor Diocletian, is a fascinating UNESCO World Heritage Site. Upon arrival to the Split Airport, a local assistant will meet your group in the arrivals hall and accompany it to the hotel by private coach. Your hotel rooms most likely will not be ready for check-in until 2:00 pm. Depending on your flight arrival time, energy level and time of the year – this afternoon your group could visit the Mestrovic Gallery (sculpture), go for a swim at the public beach at Bacvice, or simply have free time to begin exploring Split. **DAY 3 ~ SPLIT**
After breakfast in the hotel, meet your local guide in the
lobby for a full-day of exciting sightseeing by private bus. You’ll begin by traveling to the outskirts of Split to the ancient city of Salona. Salona was the capital of the Roman province of Dalmatia, and long before that it was the site of a major Greek market. This morning you will see some of its impressive Roman ruins; please wear comfortable shoes as this is an archeological site and it’s only possible to visit the site on foot. Afterwards, your group will travel a short distance to the town of Trogir, whose beauty will knock your socks off! Upon arrival, everyone in the group will have free time for lunch, followed by a guided sightseeing tour of historic Trogir. Trogir is a UNESCO World Heritage Site due to its historical tapestry of Greeks, Romans and Venetians - and because the town today still houses a fairytale blend of Romanesque-Gothic, Renaissance and Baroque architecture. Visit inside the Cathedral of St. Lawrence. See the Clock Tower, the Loggia, the Land Gate, Kamerlengo Castle and St. Mark’s Tower. After the tour group members will have time to shop or explore on their own before returning to Split in the late afternoon/early evening. Lunch and dinner are on your own.

DAY 5 ~ MOSTAR

After breakfast in the hotel, check out and meet your local guide in the lobby for a morning walking tour of Zadar’s Old Town, a bastion of Gothic-Romanesque architecture. The city however is even much older than that. In fact, before the Common Era, Zadar was an important trading center for Phoenicians, Etruscans and Ancient Greeks. On your guided tour...
you will see Zadar’s ancient city walls and gates as well as Zadar’s remarkable 12th-century, Romanesque churches including the Church of St. Mary, the Church of St. Chrysogonus and the St. Anastasia Cathedral (inside visit of the Cathedral is included). After the sightseeing tour, group members will have time for a quick lunch before boarding the bus to travel south to the picturesque city of Mostar in Bosnia and Herzegovina. The drive will be a good time to fit in a nap or brush up on your knowledge of Balkan history. After the tour and time for a quick lunch on their own, group members will board the bus to proceed to Dubrovnik, commonly referred to as the “Pearl of the Adriatic.”

Arrive in Dubrovnik, one of Europe’s best preserved walled cities (and certainly one of its most beautiful ones). With dramatic ramparts surrounded by pristine, azure waters - the entire historic core of Dubrovnik is a UNESCO World Heritage Site. Upon arrival to the hotel in Dubrovnik, check in and enjoy free time. There will be a group dinner tonight in a local restaurant.

DAY 8 ~ DUBROVNIK
After breakfast, meet your local guide in the lobby for a leisurely full-day tour of Dubrovnik, which is certain to enchant any visitor! The Venetians, Hapsburgs and Ottomans all coveted Dubrovnik, the seat of the Republic of Ragusa as it was then known. Its medieval past has left a strong mark on the city that you will tour today.

This itinerary allows you to easily combine two European countries that - despite having a full arsenal of historical, cultural heritage and natural beauty – are still somehow amazing, unspoiled destinations. Though Croatia is increasingly becoming more popular, for the time being – compared to certain Western European countries, we’d still very much consider both Croatia and definitely Slovenia off-the-beaten-path vacation destinations. Come and discover their charming back roads, historic medieval cities and out-of-this-world national parks before the crowds arrive. Experience the natural wonders of Plitvice National Park, the Postojna caves and the picture-perfect Bay of Kotor along with the magnificent man-made structures of imposing Bled Castle, Ljubljana's Baroque Town Hall and the city whose stunning medieval Old Town makes it live up to its nickname as the "Pearl of the Adriatic:" Dubrovnik.

**DAY 1 ~ DUBROVNIK**

Arrive in Dubrovnik, one of Europe’s best preserved walled cities. With dramatic ramparts surrounded by pristine, azure waters - the entire historic core of Dubrovnik is a UNESCO World Heritage Site. Upon arrival to the Dubrovnik International Airport, a local assistant will meet your group in the arrivals hall and accompany it to the hotel by private coach. Your hotel rooms most likely will not be ready for check-in until 2:00 pm. Depending on your flight arrival time, energy level and time of the year – this afternoon your group could check out the local scene at the Gunduliceva Poljana farmers market or stroll down the “Stradun,” the pedestrian street that runs east to west through Dubrovnik’s historic core. If the weather is nice, group members could also venture down to Banje Beach for a swim before tonight’s welcome dinner in the hotel’s restaurant.

**DAY 2 ~ DUBROVNIK**

After breakfast, meet your local guide in the lobby for a leisurely full-day tour of Dubrovnik, which is certain to enchant any visitor! Most of the city’s top attractions reside within its historic walls. Originally settled by the Romans - Dubrovnik’s Golden Age came about during the Middle Ages because of its extremely strategic location as a maritime port. The Venetians, Hapsburgs and Ottomans all coveted Dubrovnik, the seat of the Republic of Ragusa as it was then known. Its medieval past has left a strong mark on the city that you will tour today.

On your guided walking tour through the Old Town, you will see the city’s very scenic harbor, the Onofrio’s Fountains, the 15th-century Ploce Gate, Luza Square, the Church of St. Blaise, Orlando’s Column, the Sponza Palace and the Franciscan Monastery. You will go inside Dubrovnik’s Baroque Cathedral (Church of the Assumption) and the Dominican Monastery & Museum. During the tour the guide will give the group free time for lunch and shopping. The tour will finish in the afternoon, and the remainder of the day is free to explore Dubrovnik.

Upon arrival to Sibenik, the group will check into the hotel and have the rest of the day at leisure. Group members can relax, swim, and shop. Upon arrival to the hotel in Opatija, group members will check into the hotel and have the evening at leisure to explore Opatija.

As famed English gardener and writer Russell Page once wrote, “green fingers are the extension of a verdant heart.” British culture is intrinsically linked to a passion for horticulture. The perfect destinations for garden lovers, travelers to England and Scotland can experience traditional English gardens, water gardens, rock gardens, bonsai gardens as well as beautiful parks and woodlands – and all in places naturally abundant in beauty like England’s legendary Lake District, which is home to many of the gardens you will visit on this tour. A great many of these gardens are located on the grounds of historic estate and manor houses. Some are so beautiful they have been chosen as film locations (as part of the tour, you will visit one where Jane Eyre was filmed). Visit the very best of Britain’s gardens, and enjoy the historic and literary aspects that will also form part of the itinerary, such as a visit to the former cottages of two beloved English writers: Beatrix Potter and William Wordsworth. **DAY 7 ~ GALWAY**

Relax this morning at your hotel before we depart for the wild and scenic coast of the Connemara district. Here the mountains of Galway & Mayo drop down to meet the rugged coastline. Stop at the famous Knock Shrine. On the 21st of August 1879, Our Lady, St. Joseph & St. John the Evangelist appeared at the south gable of Knock Parish Church. Fifteen people, young & old witnessed the apparition. This afternoon return to your hotel & enjoy Galway’s quaint city highlights. Consider visiting the Spanish Arch, Eyre Square, or the Galway Crystal Heritage Center. Dinner in the hotel’s restaurant is included tonight.

**DAY 8 ~ ENNISKILLEN**

After breakfast and check-out, this morning the group will head northeast to Sligo, the homeland of poet William Butler Yeats.
We visit his quiet churchyard grave at Drumcliffe. We then continue through the villages and towns of County Donegal. The area offers a rugged beauty and mystique that you are unlikely to find anywhere else in the world. Donegal Town itself is regarded as a town of great historical interest, for it was the family seat of the O'Donnells, chieftains of Tirconail in 1474. Enjoy the rest of the day in the peaceful surroundings of the Manor House Hotel as we cross into Northern Ireland near Enniskillen.

**DAY 9 ~ ENNISKILLEN**

The first outing this morning is a leisurely cruise on the lovely lake around Devenish Island to view its early monastic ruins. Ballycassidy is on the north of Devenish Island on the eastern shore of the lake. The ruins of a monastery, two churches, an oratory and one of the finest round towers in Ireland occupy a sloping hillside on the southeast tip of Devenish. St. Molaise founded a monastery on Devenish Island. The story is told that St. Molaise, resting from his labors, listened spellbound to bird song that was the Holy Spirit communicating. The reverie lasted a hundred years, and when St. Molaise looked around after the interval, the monastery had been built.

**DAY 10 ~ DUBLIN**

As we arrive later in the afternoon to Dublin, we’ll check in then head out for a festive and lively dinner at Abbey Tavern. **DAY 11 ~ DUBLIN**

Street-side cafes and pubs are always buzzing with animated conversations and it is interesting to note that it was in many of these same cafes and pubs that the literary giants such as Joyce, Kavanagh and O'Casey discussed the topics of the day over a thick creamy pint of Guinness. You can ask your driver-guide to point out the off-the-beaten-track areas of Dublin, or you can find yourself immersed in shopping in the best shops in the country. Morning arrival to Athens, Greece’s classical yet very cosmopolitan capital city. A local assistant will meet your group in the terminal’s arrival hall and accompany it to the hotel by private bus. Most hotels’ official check-in time is 2:00 pm; however, if your group arrives before this – it is no problem to store your baggage with the reception staff. The rest of the day it at leisure for you to get situated and begin exploring the ancient city of Athens. Tonight there will be a group dinner in the hotel’s restaurant.

DAY 2 ~ CRUISE

The ports of call include the Greek Islands of Mykonos, Patmos, Rhodes, Crete (Heraklion), and Santorini as well as the seaside resort town of Kusadasi on mainland Turkey. Breakfast and dinner will be included on the ship each day.

After departing Piraeus Port, your group’s first visit will be to the island of Mykonos. White-washed homes set very near the water, tiny chapels and windmills are characteristic of this very beautiful, Cycladic island. Despite the fact that at first glance – Mykonos resembles a fishing village, it’s actually one of the most cosmopolitan Greek islands. Since the 1960s Mykonos has attracted many international visitors, artists, celebrities and travelers with an appetite for sandy beaches and nightclubs. While in Mykonos, you can either explore the island on your own or participate in a guided walking tour of Hora, the island’s capital.

DAY 3 ~ CRUISE
Today you will stop in the seaside resort town of Kusadasi, which is located on Turkey’s Aegean Coast. From here you can take a shore excursion to Ephesus. This ancient Greek city was widely known throughout the ancient world for its Temple of Artemis, one of the Seven Wonders of the Ancient World. It is also believed that St. John the Evangelist spent his last years in the region around Ephesus.

Later on today, the cruise ship will stop in Patmos, a small Greek island in the Aegean Sea. Patmos is believed to be the place where St. John wrote the text of the Book of Revelation while in exile. It is home to many treasures including priceless icons and manuscripts; monks still reside in the monastery today.

**DAY 4 ~ CRUISE**

Alternatively, you may prefer to visit to the wine region of Peza – which lies south of the port city of Heraklion – and the quaint market town of Archanes, a lovely place to experience local cuisine and culture.

Later this afternoon, you will arrive to what is arguably the best-known and most breathtaking of all of the Greek Islands: Santorini. Because of its volcanic origins, the island’s formation and in particular its caldera are dramatically beautiful and quite rare. Santorini is interesting, historic and unimaginably picturesque. After Crete – nowhere else has as interesting archeological artifacts and ruins belonging to the ancient Minoan civilization. Many visitors also flock to scenic Santorini to taste its distinguished wines or to sunbathe on one of its many beautiful beaches - which are home to transparent, azure waters and black, red or white sand depending on which beach you visit.

While in Santorini, you can relax in a local café, swim or check out the many jewelry boutiques. Should your group like to participate in a shore excursion, it could visit the village of Oia – best known for its famous sunset views - or cruise around the active crater of the nearby New Kameni island, a fascinating place for fans.

famous sights including the monumental gateway of Hadrian’s Arch, the Panathenaea Stadion - the only major stadium in the world built entirely out of white marble - and the iconic Acropolis, a UNESCO World Heritage site that is home to the Parthenon, the Theatre of Dionysus and the Temple of Athena Nike.

A group lunch is planned during the tour, and afterwards your group will continue sightseeing with a drive to the scenic Cape Sounion, a rocky promontory that houses the ancient Temple of Poseidon, the god of the sea. Afterwards you will return to Athens to visit its most-loved neighborhood: Plaka. This historic area was built on top of (and amongst) the ancient city of Athens. Here your group will visit a traditional Greek taverna for an evening of local dishes, Bouzouki music and Greek folk dances.

**DAY 8 ~ ATHENS**

After breakfast in the hotel, your group will check out and transfer by private bus to the airport for its return flight to the USA.

DAY 4 ~ DERRY
Londonderry, also known as Derry, has a long and fascinating history. A city of many contrasts, ancient and modern sights sit alongside one another: You could be sipping a cappuccino in the middle of a 21st century shopping center, and a few minutes later you might be standing beside a 1595 cannon on ancient ramparts looking over streets and buildings that have survived for centuries. The Gateway to Ireland's northwest, the city is most famous for its historical walls. This morning, enjoy a walking tour. This afternoon you will be free to enjoy all that this city has to offer. Tonight, stay in a magnificent 15th century castle where you will enjoy 5-star service and dinner with views of the lake.

Drive along the shores of Lough Corrib and then west through Maam Cross to Leenane and Kylemore. Here visit Kylemore Abbey, the only Irish home of the Benedictine Nuns.

After breakfast in the hotel, the group will travel by private coach with a local guide to the fascinating Tower of London for a guided tour. The Tower’s origins date back to the 11th century, and today it is an official UNESCO World Heritage Site. See the Crown Jewels, which have been on display here since the 17th century. The Tower was the site of the executions of Anne Boleyn, Lady Jane Grey, Margaret Pole and many others. After the tour, the group will have free time for lunch. Consider fish & chips or a steak & kidney pie at a local pub. After lunch, the group will walk down to the Tower Pier on the River Thames. (This is how prisoners were traditionally bought into the Tower) for a cruise down to Westminster Pier. The private coach will pick the group up at the pier and return it to the hotel. The remainder of the afternoon is free. London has an excellent theatre scene, and this evening the group will attend a theatre performance.

**DAY 3 ~ LONDON**

After breakfast in the hotel, the group will have a guided tour of one of London’s terrific museums. Choose for example between the Victoria & Albert Museum and the British Museum. The former houses the world’s largest collection of art and design, while the latter is one of the largest and most comprehensive museums of art and natural history in the world. The two museums are both located in the Bloomsbury area of London and are within walking distance of each other. After the museum tour, the group will have free time for lunch before returning to the hotel for the evening.

**HIGHLIGHTS**

- Panoramic tour of London’s top monuments
- Guided tour of the Tower of London + guided tour of a London museum
- Cruise down the River Thames
- Guided city tour of Brussels including brewery visit
- Excursions to Ghent & Bruges
- Canal cruise in Bruges
Museum (art & design), the British Museum (antiquities), Shakespeare’s Globe Exhibition, the National Portrait Gallery or the Tate Modern (contemporary art). (Note: Group will need to decide on selected museum before departing the US). Once the museum tour has finished, the group has free time to have lunch, shop and relax. This afternoon your group will enjoy a traditional afternoon tea. Your last evening in London is free.

**DAY 4 ~ BRUSSELS**

After breakfast and check-out, the group will transfer by private coach to the station. Travel first class by train on the Eurostar to Brussels, the capital of Belgium. As the train pulls into the station, a local guide will meet your group on the platform and lead it to the hotel by private coach. Even though the group’s rooms will most likely not be ready this early, group members can store baggage with the hotel’s reception staff before setting off on an exciting city tour of Brussels. This is a city of contrasts. One district of Brussels is home to major European organizations and governing bodies like the European Commission, the European Parliament, NATO and many others. However, it also contains a very historic city center and neighborhoods that have maintained traditional architecture and a slower pace. During the tour your group will visit one of Europe’s most beautiful squares, the Grand Place, which is home to the medieval Town Hall. The tour will finish also feature a tour and tasting at the Cantillon Brewery, which has been brewing beer since the 1800s. As a country, in addition to chocolate - Belgium produces some of the finest beer in the world. The tour will finish at the hotel where there will be time to check in and fresh up before the group goes to a local restaurant for dinner.

**DAY 5 ~ BRUSSELS**

After breakfast in the hotel, the group has the morning at leisure to explore Brussels. This city has an amazing variety of museums, churches, green parks (and chocolate shops). After the group members have had lunch on their own, they will all reunite in the hotel lobby for an afternoon excursion by private coach to the historic city of Ghent. During the walking tour, the group will see St. Bavo’s Cathedral, the gothic Cloth Hall and Belfry tower, Friday Market Square, Groot Kanonplein Square, and the streets of Graslei and Korenlei whose historic houses line Ghent’s canals. After the tour, the group will return to the hotel in Brussels by private coach. A group dinner is not scheduled tonight, so group members can go out and individually explore Brussels’ superb foodie scene.

**DAY 6 ~ BRUSSELS**

After breakfast in the hotel, today the group will travel by private coach to one of Belgium’s best loved cities, Bruges, the capital of West Flanders. The entire city center of this Dutch-speaking city is a UNESCO World Heritage Site. Upon arrival to Bruges, the group will meet a local guide who will lead it on a walking tour of this especially beautiful city, which is often called the “Venice of the North.” In addition to exploring its cobblestone streets and medieval quarters, the group will take a boat cruise to experience Bruges’ picturesque canals (note: the cruises understandably do not operate during the winter months). During the visit to Bruges, there will be free time for lunch and shopping (feel free to ask the local guide for suggestions) before all group members meet back up with the local guide who will accompany the group back to its private coach (most coaches are not
permitted to enter the center of Bruges). After boarding the coach, the group will return to the hotel in Brussels. After freshening up, the group will dine together in a local restaurant on its last evening in delightful Brussels.

**DAY 7 ~ BRUSSELS**
After breakfast and check-out, the group will travel to the airport for its return flight to the US.

14 DAYS/13 NIGHTS – GROUP TRAVEL

Spend two weeks visiting two incredible Spanish capitals: Madrid and Barcelona. Both of these cities are oozing with cultural and historical heritage – and they both are surrounded by other fascinating cities to visit like Avila, Toledo, Segovia, El Escorial, Tarragona and Girona – destinations that are home to many UNESCO World Heritage Sites that you’ll visit. This itinerary isn’t lacking in nature either; and you’ll have plenty of opportunities to hit the beach on Spain’s famed Coast Brava. You’ll see flamenco, eat paella and see the architectural masterpieces of Antoni Gaudi. You’ll see the very best of Madrid and Barcelona with expert guides - and also have plenty of down time to relax, shop, swim, wander and explore on your own.

DAY 1 ~ ARRIVE MADRID

Arrival to Madrid, Spain’s cultural (and lively) capital city. Upon arrival to Barajas Airport, your group will be met by a local guide in the arrivals hall of the terminal. As hotel rooms will not be ready until 2:00 pm, the guide will take your group on a panoramic sightseeing tour by bus before dropping the group off at the hotel. This is the perfect way to get an orientation of Madrid, which as can be expected – is a large capital city with lots to see!

On the panoramic tour you will see the exterior of the baroque Royal Palace, which was constructed in the 18th century and contains over 3000 rooms (imagine cleaning that) - as well as the nearby Plaza de Oriente, Teatro Real and Almudena Cathedral. You will also see spectacular Plaza Mayor square. (During the days of the Inquisition, many a heretic was burned at the stake here). You’ll also see the always bustling Porta del Sol and the lovely Paseo del Prado boulevard, home to the world-renown Museo del Prado. The tour will finish up at the hotel. Check in and relax before having a group welcome dinner in the hotel’s restaurant.

DAY 2 ~ MADRID

After breakfast in the hotel, meet your local guide in the lobby and prepare yourself for a real treat: a visit to the historic city of Toledo. (note: Toledo is one of those incredibly picturesque, medieval cities with cobblestones and hills – so please wear comfy shoes today). Many moons ago, Toledo was actually the capital of Spain. This was from the time of the collapse of the Roman Empire when the Visigoths showed up (4th century AD) to the time when the Moors invaded the Iberian Peninsula (8th century). Because of its historic and cultural value, Toledo’s Old Town is a UNESCO World Heritage Site. Its historical heritage is unparalleled. Perhaps the most interesting aspect of its history (which goes back to the Romans) is during the Middle Ages when Christians, Jews and Muslims coexisted quite peacefully and lived in flourishing, cultural communities. Toledo has also had some pretty famous citizens including the painter, El Greco. While here your guide will take you inside

HIGHLIG T S

• Sightseeing tours of Madrid, Barcelona, Toledo, Segovia, Girona and Tarragona
• Day trips to Sitges, Cadaques, Besalu, Calella de Palafrugell and San Lorenzo de El Escorial
• Attend a flamenco show in Madrid
• Paella on a Barcelona Beach
• Enjoy the beaches of the Costa Brava
• Cava wine tasting
• Concert in Barcelona’s Palau de la Musica Catalana
Toledo’s Cathedral, which is one of the best examples of Gothic architecture in the world; the House & Museum of El Greco, which is located in the old Jewish Quarter; and the 14th-century Synagogue del Tránsito, a remarkable building that once served Toledo’s pre-Inquisition Jewish community.

During the tour, there will be a lunch break (on own). In the mid-afternoon, your group will return to the hotel in Madrid. The remainder of the day is at leisure. For those group members that want to relax but not necessarily in the hotel - consider spending the remainder of the afternoon in Madrid’s beautiful Retiro Park.

**DAY 3 ~ MADRID**

After breakfast in the hotel, you have a full day to yourself to explore Madrid. Consider visiting the Reina Sofia Museum or the Prado Museum. While they are both superb and definitely merit a visit, their collections are different. The Reina Sofia Museum contains artwork by modern painters (Salvador Dalí, Joan Miró and Pablo Picasso – including his masterpiece Guernica) while the Prado Museum contains masterpieces by traditional, Spanish painters like Diego Velázquez (yes, inside is his famous Las Meninas), Goya, Murillo and El Greco (who was actually Greek).

**DAY 4 ~ MADRID**

After breakfast in the hotel, meet your local guide for a full-day excursion to visit the towns of San Lorenzo de El Escorial and Avila. In San Lorenzo de El Escorial, you will visit its famous monastery, which was commission by King Phillip II in the 16th century. This massive structure stands as an outstanding example of Renaissance architecture and is a UNESCO World Heritage Site. While in San Lorenzo de El Escorial, you will also see the controversial monument, called “The Valley of the Fallen” which was commissioned under Franco and remains a stark reminder of the Spanish Civil War. After the guided tour of El Escorial, enjoy some free time for lunch before continuing your daytrip to Avila.

Avila is a walled city whose medieval walls were constructed in the 11th century. The walls are some of the finest in all of Europe and surround the Old Town’s remarkably well-preserved Romanesque churches, Gothic palaces and the city’s 11th-century Cathedral. It’s no surprise that Avila’s Old Town is also a UNESCO World Heritage Site. It’s also a place of religious importance as it was the birthplace of Saint Teresa, who was born in Avila in 1515. Your group will have a 2-hour walking tour of Avila before returning to Madrid. Upon arrival back to the hotel, the rest of the day is at leisure.

**DAY 5 ~ MADRID**

After breakfast in the hotel, today is your final daytrip from Madrid. Meet your guide in the lobby for an excursion to Segovia, an ancient city that lies north of Madrid, in the region of Castile and León. It was inhabited by indigenous Iberians long before the Romans arrived to settle there. During the Middle Ages, Segovia was an interesting, multicultural city with a strong trade industry, and Queen Isabella I herself was crowned here in the 15th century. Today you will visit its Old Town and its incredible aqueduct, both of which form a UNESCO World Heritage Site. The Romans finished building the Aqueduct of Segovia during the 2nd century. Today it is still remarkably intact. While in Segovia, your group will also visit the dramatically stunning Alcazar (Royal Palace), which is almost 1000 years old - and the Cathedral
of Segovia, a superb example of 16th-century, Gothic architecture. (There will be free time for lunch during today’s excursion). Your group will return to Madrid in the late afternoon and will have the remainder of the day at leisure.

**DAY 6 ~ MADRID**

After breakfast in the hotel, all group members will check out and transfer by private bus to the train station, where they will board the very convenient, high-speed train to Barcelona. Your next week will be spent in a very distinct region of Spain: Catalonia. Virtually everyone that lives in this autonomous region is bilingual, speaking both Spanish and Catalan. Like Spanish, Catalan is also a Romance Language – and while a good deal of its words resemble Spanish words, many others resemble French, Italian or Portuguese words. The difference between Catalans and other Spaniards is more than just linguistic however. In many ways they are culturally different too – with different music, cuisine and traditions (that being that, they seem to equally love soccer as much as the rest of the country).

While in Barcelona, you won’t see elegant baroque architecture like in Madrid or stunning mudejar (medieval Moorish) structures like in Andalusia – but you will see beautifully-preserved Romanesque architect as well as Barcelona’s signature style: modernisme. This style - which for simplicity’s sake can be grouped into the wider Art Nouveau movement that was taking place in the late 19th century/ early 20th century - has been made manifest throughout Barcelona by the city’s architectural godfather: Antoni Gaudí. Catalonia (or Catalunya as the Catalans write it) also has a very interesting ancient heritage; both Greek and Roman settlements existed on this stretch of the Mediterranean Coast. Finally, Catalunya is home to Spain’s famous Costa Brava, which is pretty much one gigantic postcard. While here, you will experience all of this!

As you will arrive to Barcelona in late morning - when your hotel rooms will not yet be ready for check-in – your group will store its bags and have a break to buy some lunch – before meeting a local guide for an afternoon tour of the Eixample District. By the 19th century, the Old Town was getting pretty crowded. Disease. Folks living on top of each other. No space. The city needed to expand, and that’s exactly what happened. The word “Eixample” actually means “extension.” Well-to-do families of the day moved up town into this newly developed district based on a perpendicular grid. And the really wealthy ones hired architects like Antoni Gaudí to design their homes. On your guided tour of this beautiful neighborhood, which really is unlike any other area in Spain – you will see some of the fruit of Gaudi’s labors like the Basilica of the Sagrada Familia (inside visit), the Casa Milà (inside visit) and the Casa Batlló. (All three buildings are UNESCO World Heritage Sites).

The tour will finish at the hotel where group members can check in, relax and freshen up before a group dinner in the hotel.

**DAY 7 ~ BARCELONA**

After breakfast in the hotel, your group will venture to Barcelona’s Old Town. This area is much more historic than what you saw yesterday. This is Roman and Medieval Barcelona! Unlike the Eixample’s broad avenues, today you will walk through windy, narrow streets - and through many layers of the city’s history. This morning’s tour will take place in the Barri Gòtic.
neighborhood and the Born neighborhood. You will see the Passeig del Born, the Picasso Museum (outside only), the Santa Maria del Mar Gothic Basilica (inside visit), the Cathedral de la Seu, the Plaça Sant Jaume – and Barcelona’s most famous avenue, La Rambla, an action-filled street graced with flower vendors, painters and street performers! On the Rambla your guide will also take your group inside the ever-lively Boqueria food market (warning: you might see sheep brains). After the walking tour has finished, your group will head out to Barcelona’s seaside for a paella lunch. Afterwards – the remainder of the day is free, so feel free to relax and sunbathe on one of Barcelona’s city beaches.

**DAY 8 ~ BARCELONA**

After breakfast in the hotel, meet your local guide and board the bus for an exciting excursion west to the mountain of Montserrat, which houses a medieval abbey set high up amongst some truly unusual rock formations. To reach the top, you and your fellow group members will have to take a funicular. Montserrat is one of Europe’s most famous pilgrimage sites, and pilgrims have been traveling here since the Middle Ages to see its Black Virgin statue. Its boys choir is also one of Europe’s oldest (over 500 years old). Even if you’re not particularly religious – if you’re interested in medieval history, hiking, or geology – a trip to this spiritual spot is not to be missed.

After the visit atop the mountain (free time will be given for lunch), your group will take the funicular back down, re-board the bus and head to Sant Sadurni d’Anoia – also known as Catalan Cava County. Enjoy a guided tour and tasting of this sparkling wine in a local winery before returning to Barcelona late afternoon. Upon arrival to the hotel, group members will have time free time to eat, relax or explore before meeting back up for tonight’s classical music concert (pending availability) in the most beautiful concert hall we can think of: Barcelona’s iconic Palau de la Musica Catalana, which was designed in the beginning of the 20th century by Catalan, modernist architect - Lluís Domènech i Montaner.

**DAY 9 ~ BARCELONA**

After breakfast in the hotel, enjoy a morning sightseeing tour of other great neighborhoods of Barcelona beginning with Pedralbes, one of the wealthiest spots in town. Your guide will take you inside the neighborhood’s Monestir de Pedralbes, which was built in 1326. This spectacular building houses lots of interesting, historical artifacts. Enjoy looking around – and make sure you see the monastery’s beautiful cloister. From Pedralbes, your group will continue its sightseeing tour with a visit to Gaudí’s iconic park – Parc Guell! This is a favorite attraction of travelers and locals alike. Gaudi actually liked it so much – that he moved in. (Yep, he moved into a house located inside the park). Spend some time wandering this truly gorgeous green space. Afterwards, everyone will re-board the bus and head to Barcelona’s Gràcia neighborhood. Gràcia is charming, charming and charming – and it’s not an area that too many tourists visit. This hilly neighborhood used to be a small village, separate from the city of Barcelona. They only united at the end of the 19th century. As a result, visiting Gràcia feels like you’re still in a pretty village. Your guide will walk you through Gràcia, showing you some of its lovely squares. This is the end of today’s tour. We suggest you stay up here to have lunch and to wander a bit. However, the
bus and guide will accompany anyone who likes back to the hotel.

**DAY 10 ~ BARECELONA**

After breakfast in the hotel, meet your local guide for a full-day sightseeing excursion. You’ll be traveling south along the Mediterranean Coast to the ancient Roman city of Tarragona, whose impressive ruins (another UNESCO World Heritage Site) you will visit this morning! You will see Tarragona’s ancient walls, the Roman forum and the 2000-year-old amphitheater, whose backdrop is a dramatic blue blast of Mediterranean Sea. Just outside of Tarragona’s center, you will also see the out-of-this world Roman aqueduct, colloquially known at the “Pont del Diable.” The aqueduct is in remarkably good condition (those Romans sure knew how to build!). Its spans a wide valley - and you can even walk across the top of aqueduct. After your guided tour of Tarragona and a lunch break - your group will board the bus and return back towards Barcelona. En route you will stop in the seaside resort town of Sitges.

Sitges is home to one of Europe’s best Carnival celebrations. It is also an incredibly picturesque place. Your group will stop here on the way back to Barcelona with a couple hours of free time to stroll the beach promenade, have a drink, go for a swim or shop. Once your group returns to the hotel in Barcelona in the late afternoon, the rest of the day is at leisure.

**DAY 11 ~ GIRONA**

After breakfast in the hotel, all group members should check out and board the bus. You’ll be traveling north to the city of Girona, which is the capital of the province of Girona. (Many consider this area the most beautiful in all of Catalonia). When you arrive to Girona, your hotel rooms will most likely not be prepared for check in, so group members will store their baggage with the hotel’s reception staff and meet a local guide for a walking tour of Girona.

Girona is – in our opinion – one of Spain’s most interesting cities. It’s scenically set along a river and like many Spanish cities, it has a Roman foundation and throughout its 2000 years has played host to Christians, Moorish and Jewish communities. In addition to a remarkably well-preserved Jewish quarter (called a “call”), Girona still has part of its original Roman fortifications as well as beautiful Romanesque and Gothic buildings. During your tour you will go inside small-yet-wealthy Museu Arqueològic, Girona’s Cathedral – which has the widest nave of all Gothic cathedrals in the world – and the Museum of Jewish History, a fantastic museum which sheds light on Spain’s Jewish population in the Middle Ages from the times of peaceful coexistence to the Inquisition. The tour will finish at the hotel. Group members can check in and enjoy the remainder of the day at leisure in Girona’s Old Town.

**DAY 12 ~ GIRONA**

After breakfast in the hotel, prepare yourself for a full-day sightseeing excursion to the towns of Figueres and Cadaques. This is your Salvador Dali day. Even if you don’t know much about this eccentric, Spanish surrealist painter – we’re sure you will enjoy this day all the same. You will travel north by bus to Figueres. Dali was born here, and for this reason his foundation has opened a massive museum dedicated to him here: the Teatre Museu Dalí. You’re going to enjoy a guided tour of it this morning. In addition to a fantastic collection of Dali’s works, the building in and of itself is an experience. Going
through it feels a bit like walking through a very, very strange dream.

After touring this unusual museum, your group will re-board the bus and head east to the seaside city of Cadaques where Dali eventually constructed his (very odd) house. Even if Dali had never set foot in Cadaques, we would still recommend you visit it because it’s simply one of the most beautiful villages on the Mediterranean. Prepare yourself to take out the camera. You’ll have free time here to have lunch, walk around, shop or swim (think very transparent water) before returning in the afternoon to Girona. The evening is at leisure in Girona.

DAY 13 ~ BARCELONA
After breakfast in the hotel, get ready to enjoy the heck out of your last day in Spain! Your day will begin with a visit to the historic town of Besalú. Besalú is a beautiful village that was quite an important place in the early Middle Ages – when Wilfred the Hairy (yes, seriously) was the Count of Besalú. The town is known for its beautiful, 12th-century Romanesque bridge at its entryway. You’ll have a couple of hours this morning to wander around and explore charming Besalú on your own before re-boarding the bus and traveling to picture-perfect Calella de Palafrugell on the oh-so-turquoise Costa Brava. You’ll have free time here for lunch – and we hope you brought your swimsuit. If you didn’t, no worry – it’s a great place to walk around or have a drink while looking out at the sea. In the late afternoon, your group will re-board the bus to return to Barcelona. Upon arrival at the hotel, you’re free to enjoy you last evening in Spain as you please!

DAY 14 ~ BARCELONA
After breakfast in the hotel, all group members should check out and transfer to Barcelona Airport by private bus for their return flight to the USA.

After the eruption, the city and its citizens were deeply covered by ash and volcanic pumice rock – and then left untouched for 1600 years until Pompeii was discovered. The result – after much excavation – was a remarkable view of what a city in ancient Rome probably looked like. So very much had been preserved in those packed layers of ash and pumice. Enjoy your guided tour through this amazing archeological site, which is a UNESCO World Heritage Site. Walk through the Roman Forum, Market Place and the House of the Vettii to see narrow streets and luxurious villas frozen in time.

After the tour and a break for lunch, continue traveling to lovely Sorrento, which will be your seaside base for the next two nights.

**DAY 3 ~ SORRENTO**

Today after breakfast your group will head to Sorrento’s port for a sightseeing excursion to the enchanting island of Capri. Tonight you will take a comfortable, overnight ferry to Sicily.

Your private bus will travel along the coastal road to Taormina. En route your group will stop in the historic town of Cefalu, renowned for its narrow streets and elaborate house decorations. Continue to a town founded in 395 BC, the Roman-Greek town of Tindari. Here you will visit the sanctuary of the Madonna of Tindari. The famous Black Madonna has been attributed for granting favors to those who pray. Continue on to the coastal city of Messina before arriving to tonight’s hotel in the perched town of Taormina. The afternoon is at leisure to explore Taormina. Group dinner tonight in the hotel’s restaurant.

**DAY 6 ~ TAORMINA**

This morning after breakfast at the hotel, your group will embark on a guided adventure to Mount Etna, the highest (elevation of approx. 10,000 feet) and largest active volcano in Europe. Return to Taormina in the early afternoon where you will have time to browse the linens and pottery that is locally produced. Evening at leisure.

**DAY 7 ~ SYRACUSE**

After breakfast and check-out, today your journey takes you to Southern Sicily. En route to the southern city of Syracuse (Siracusa), your group will stop in the lovely city of Catania, which is a center of business and finance on the island. Here you will get a taste of normal life in a Sicilian city. A UNESCO World Heritage City, Syracuse is home to remarkably Greek, Roman and Baroque architecture. Upon arrival to Syracuse your group will check-in at the hotel and have time to relax and begin looking around Syracuse. Tonight the group will have dinner together in a local restaurant.

**DAY 8 ~ SYRACUSE**

After breakfast a local guide will take your group on a sightseeing tour of this 2700-year-old city. Syracuse was once one of the most important cities in the ancient world. In fact, because of its wealth, power and cultural scene it was considered a rival of Athens. During your tour you will see the ancient Greek theatre - which is said to be
the burial site of Archimedes, the Paradise Quarry, the Ropemakers’ Cave, the Altar of Heron and the Roman amphitheatre (all sites are inside of the Archeological Site of the Neapolis “new city.”)

After a break for lunch, the tour will continue with a visit to the awe-inspiring Valley of the Temples. Inside this UNESCO World Heritage Site there are fantastic ruins of temples, cemeteries, houses, streets, auditoria, a small amphitheater and a fine archeological museum. In the late afternoon your tour will finish at the hotel, and the evening is at leisure.

**DAY 11 ~ PALERMO**

After breakfast and check-out, travel north by private bus to Sicily’s capital city of Palermo. Upon arrival your group will meet a local guide for a tour of Palermo’s highlights including the Duomo, the Palace of the Normans and Church of St John of the Hermits. After soaking up the natural beauty and fresh air, transfer to the town of Bellagio where you have time on your own to enjoy a well-deserved lunch at a local cafe. Many consider this the most beautiful part of the lake. After lunch spend the afternoon exploring Bellagio before returning to Como by private bus with your group members. Dinner is on your own tonight.

**DAY 5 ~ COMO**

After breakfast in the hotel, today your group will learn all about Northern Italian cuisine during a private cooking class in a local restaurant. Although you can find delicious Italian specialties like pizza and lasagna all over the country, you will discover there is a wide array of local dishes worth sampling! Follow along as your chef-instructor shares the subtleties of how to prepare Northern Italian cuisine and try to wait until the end of your demonstration before devouring this tasty feast.

Note: Regarding cooking classes, small groups can generally include these quite easily on itineraries. Simply because of classroom space, larger groups should either divide into two smaller groups – or elect to have a cooking demonstration instead (which is still very interesting).

Depending on what time the cooking class finishes, if your group has time this afternoon – we recommend visiting either the town of Varenna or Menaggio with your private bus. Evening is at leisure.

**DAY 7 ~ SANTA MARGHERITA LIGURE**

After breakfast, today is all yours to discover the five fishing villages that cling to the cliffs of the
Cinque Terre coast and over the Mediterranean Sea: Vernazza, Corniglia, Manarola, Monterosso al Mare & Riomaggiore. Walking along the footpaths is the most rewarding way to get from village to village. Alternatively, the train makes constant runs along that route and there’s a seasonal boat that strings the villages together. The area of the five villages and surrounding parks form a UNESCO World Heritage Site.

Group dinner tonight in a local seafood restaurant to try regional specialties.

**DAY 8 ~ PARMA**

After breakfast the first half of today is yours to relax by the sea or take advantage of some last-minute sightseeing. Take a morning water taxi to Portofino. The Duke and Duchess of Windsor honeymooned at the Hotel Splendido, and years later Richard Burton proposed to Elizabeth Taylor there.

After check in and time to freshen up, tonight your group will experience authentic, local cuisine enhanced by the intimate surroundings of your farm accommodations.

**DAY 9 ~ PARMA**

This vacation itinerary allows your group to experience two distinctly different European capital cities and their respective charms. Often referred to as “The City of Light,” Paris is an energetic, cosmopolitan capital city that somehow maintains a provincial ambience in some of its loveliest neighborhoods. It is the city of fashion, Napoleon’s tomb and 3rd century Roman baths. In Paris one can discover the Moulin Rouge, neighborhood cafes once frequented by some of the world’s best writers, incredible art collections - and food markets playing host to daily shoppers and local vendors selling everything from oysters to Camembert cheese. As the capital of Belgium and the unofficial capital of the European Union, Brussels houses a remarkable mix of cultures. While the majority of its residents speak French, visitors to Brussels will also encounter many Flemish speakers. And – due to Brussels’ international presence, you’ll hear a lot of English spoken here as well. Its terrific mix of cultures, rich heritage, excellent museums, green parks and exceptionally tasty food are just a few reasons to spend some time enjoying Brussels. As part of this itinerary, the group will also experience the Flemish Region of Belgium with day trips to Ghent & Bruges.

Spend 12 days experiencing the beauty and fascinating history of Portugal. This comprehensive itinerary will show you the very best of Portugal’s rich cultural heritage. Beginning and finishing in the ancient capital city of Lisbon, you will go back to the times of the Romans, through the era of the Moorish kingdom - and into Portugal’s very exciting Age of Discovery. Aside from the castles, cathedrals and monasteries, during the tour there will be time to relax, to shop and to visit local markets, and you’ll have two full days of leisure in the Algarve Region to enjoy Portugal’s beautiful, turquoise beaches. Last but not least – you’ll have a full day in Portuguese wine country.

**DAY 1 ~ ARRIVE LISBON**

Arrival to Lisbon, Portugal’s enduring capital city. Upon arrival, a local guide will meet your group in the airport’s arrival hall. As your hotel rooms will not be ready for check-in until the afternoon (and in attempt to help you defeat any pangs of jetlag), the guide will then lead your group on a relaxing tour to begin discovering wonderful Lisbon, which is one of the oldest cities in all of Europe.

Your sightseeing tour today, which will be on bus and on foot, will include free time for lunch. You will explore Lisbon’s oldest district: the Alfama. Before the Christian “Re-Conquest” of Iberia, most of Portugal and Spain (with the exception of the very northern kingdoms) formed part of a great Moorish kingdom. This area that you will visit today, the Alfama, was the city of Lisbon during the Moorish era. (History note: even before the Moors arrived to Lisbon - Celts, Phoenicians, Greeks, Carthaginians, Romans and Visigoths had already left their mark here). During your tour, your group will go inside the ancient Castle of St. George. While fortifications have existed on this hill for thousands of years, the castle that you will visit today was erected by the Moors – including the castle’s famous walls. After the Christian “Re-conquest,” the castle became a royal palace for the monarchy.

Today many fishermen and women live in this quarter, which lies on the hill between the ancient Castle of St. George and the Tejo River. It offers visitors charming lanes, beautiful squares and quite a few remarkable views of the city including the Miradouro de Santa Luzia and the Largo das Portas do Sol. The 12th-century Cathedral of Lisbon is also located inside the Alfama. This area is also a terrific spot to experience “Fado” – a traditional, melancholic folk music, and you’ll find many fado bars and restaurants in the area. The tour will finish at your hotel, where after check-in you are free to relax and freshen up before tonight’s group dinner in the hotel’s restaurant.

**DAY 2 ~ LISBON**

After breakfast in the hotel, meet your local guide for a morning walking tour of the heart of Lisbon. During the tour your guide
will take you through the Baixa district (historic, financial center), the center and the Chiado neighborhood (elegant shopping area). You will see historic squares like the Praça do Comércio, Rossio and Praça dos Restauradores as well as major avenues including Rua Augusta and the Avenida da Liberdade. At the end of the walking tour, everyone will have free time to have lunch before boarding a private bus and traveling to Lisbon’s suburb of Belém where you will experience Lisbon’s two UNESCO World Heritage Sites: the Jerónimos Monastery, a superb example of Manucline (late-Gothic) architecture, and the Torre de Belém, a stunning 16th century monument that was commissioned to honor Portugal’s remarkable feats of exploration during the Age of Discovery. The tour will finish back at the hotel, and the evening is at leisure.

**DAY 3 ~ LISBON**

After breakfast in the hotel, enjoy a free day in Lisbon! You can revisit an area that caught your eye, shop, or visit the city’s lively Ribeira Nova food market. If you’re interested in continuing your sightseeing – we recommend visiting one (or all) of the following museums: the National Coach Museum, the Calouste Gulbenkian Museum or the National Museum of Ancient Art. One last suggestion would be to visit Oceario de Lisboa, the largest aquarium in Europe.

**DAY 4 ~ LISBON**

After breakfast in the hotel, meet a local guide in the lobby and prepare yourself for a real treat. Today you’ll travel to one of Portugal’s most beautiful, picture-perfect towns: Sintra. This historic town, which is a UNESCO World Heritage Site, is home to the Sintra National Palace – a remarkably well-preserved structure with stunning decorative tiles – and the 19th-century Romanticist National Palace of Pena, which was the summer palace of the former Portuguese royal family. In addition to touring both palaces, you’ll also have time to wander Sintra’s lovely shops and cobblestone streets before returning to Lisbon in the afternoon. You will return to Lisbon by traveling along the Estoril and Cascais Coastline with views of the Atlantic Ocean.

This evening all group members will meet in the hotel lobby and proceed to a Fado restaurant for a dinner show (transport included). On you last evening in Lisbon, enjoy traditional dishes from Lisbon paired with the soulful, folk music that has become one of Portugal’s best exports.

**DAY 5 ~ FATIMA**

After breakfast in the hotel, your group will check out and travel north by private bus to the walled city of Obidos, home to some of the finest Portuguese medieval architecture that you will see on this trip. Enjoy a guided walking tour of Obidos followed by free for lunch time before continuing north to the town of Alcobaça. Alcobaça is home to one of medieval Portugal’s most important monasteries. The Gothic monastery, which is a UNESCO World Heritage Site, is over 800 years old. Inside you will find the tombs of many past Kings and Queens of Portugal – including Pedro I.

You will then continue to the nearby town of Batalha, which is home to another must-see UNESCO World Heritage Site: the Monastery of Saint Mary of the Victory. It took over a century to build this Gothic, Manucline structure. Inside you will see beautiful examples of filigree detailing and stained-glass windows – as well as the
tomb of Prince Henry the Navigator, a major promoter of Portugal’s maritime discoveries. From here, you’ll drive to tonight’s destination – the town of Fátima, which is best known as a Catholic pilgrimage site because of its Marian apparitions. Upon arrival to the hotel, your group will check in and have time to freshen up before a group dinner in the hotel.

**DAY 6 ~ PORTO**

Upon arrival you will tour the university’s Baroque Library, which is considered one of the most beautiful in Europe. Walk through the medieval area passing the Old Cathedral and the Church of Santa Cruz. Afterwards, your group will continue traveling north to tonight’s destination: Porto (also known as “Oporto”). A city best known for its production of port wine, the entire city center is a UNESCO World Heritage Site. Upon arrival you will have free time to have lunch and to explore some of Porto’s famous Port wine cellars. Afterwards, a local guide will give your group a late-afternoon walking tour (no inside admissions) of Porto’s historic center before the group transfers to the hotel for check-in. Tonight you are free to enjoy Porto on your own.

**DAY 7 ~ PORTO**

After breakfast in the hotel, meet a local guide in the lobby for a full-day excursion by private bus to the Douro wine region, which located in the picturesque valley of the Douro River. This area is also a UNESCO World Heritage Site because of its historical and cultural value. People have been producing wine off here for over 2000 years, and even today much of the winemaking is done by family-run businesses. While most people associate this wine region with Portugal’s most famous wine - Port (a fortified wine, sweet, often served with dessert), the region also produces table wines – many of a very high quality. In fact, on the 2013 edition of Wine Spectator’s Top 100 List, this region had two wines featured.

Your excursion today will include a visit to the lovely Mateus Manor House, an 18th century Baroque estate with formal gardens. While touring the house and grounds you will see the house’s famous “water mirror” that resides in front of the house, a fascinating library as well as lovely collection of paintings, china and silver. After touring the house and gardens, continue your sightseeing tour with a visit to a local winery where you will learn about the process of winemaking (wine tasting included). In the afternoon your group will return to Porto, and the rest of the day is at leisure. Enjoy your last evening in the north of Portugal.

In the evening, a group dinner has been organized in the hotel’s restaurant. This is the most visited part of Portugal, and once you see its beautiful beaches, you will understand why. This area is also home to a very interesting history. Many of Portuguese star explorers – like Vasco de Gama – departed on their historic voyages from the Algarve. The area also contains ancient Roman ruins and the remains of historic Moorish castles. However – since you’ve just had a busy week of sightseeing, we’re going to suggest you relax and enjoy the pristine beaches while in the Algarve. **DAY 1 ~ ARRIVE ROME**

This morning your group will arrive to “the Eternal City.” After you collect your bags and proceed through customs, you will be greeted by our friendly English-speaking assistant, who will welcome your group to Italy and escort it to a private bus. From here your group will transfer to your hotel in Rome. As Italian hotels’ official check-in time is usually 2:00 pm, if you’re arriving before that you are welcome to store your baggage with the reception staff and begin exploring this fascinating city.

(If you want to begin sightseeing, we suggest you try to see the Pantheon, Trevi Fountain, Spanish Steps, Piazza Navona or Campo dei’ Fiori Square). You are free to explore on your own until evening, when you and your fellow travelers will have dinner together in the hotel’s restaurant.

**DAY 2 ~ ROME**

After breakfast in the hotel, your group will travel by private bus to Vatican City, the world’s smallest independent state. Your guide will start the tour with an overview of the history of the Vatican Museums and Sistine Chapel. You will see the Hall of Tapestries and the Maps Gallery, but the highlight of your tour will be the Sistine Chapel, whose ceiling is covered with Michelangelo’s famous paintings of the “Creation” and “Last Judgment.” You will then exit into St. Peter’s Basilica, the largest church in Christendom. See the many treasures including the golden mosaics of the apse, Bernini’s bronze baldachin and the famed “Pieta” by Michelangelo. The last stop on your group’s tour of Vatican City is St. Peter’s Square to see the 4000-year-old Egyptian obelisk that stands in its center.

After a break for lunch (on your own), your group will start its guided tour of Ancient Rome with a visit inside Rome’s iconic Colosseum (Gladiators... I salute you). In its heyday it was capable of seating up to 50,000 spectators. Afterwards your group will walk over to explore the most interesting sites in the Roman Forum. The guided tour will finish back at the hotel, but for group members who want to stay in Rome’s historic center, we suggest the bus driver drop them near Piazza Navona. The evening is at leisure.

**DAY 3 ~ VENICE**

After breakfast your group will head north by private bus, passing through the Umbria region to the delightful town of
Assisi, best-known as the birthplace of St. Francis, founder of the Franciscan Order. A local guide will take your group on a tour of the Cathedral and its amazing frescoes by Giotto, who is generally considered to be the first of the great Italian Renaissance artists. Afterwards you will have time for lunch before continuing on to Venice -- nicknamed "City of Water", and "City of Masks" over the ages, among other titles -- where we will spend two nights. Depending on the hotel’s location, most likely your group will have to take a boat (from the bus-drop-off point) to arrive to your hotel. Upon arrival check in - and enjoy your evening in Venice.

**DAY 4 ~ VENICE**

After breakfast this morning your guide will take you on an exciting walking tour of this City of Islands. See St. Mark's Square, the lively central square where the only traffic is that of humans (and pigeons!). Visit inside St. Mark's Basilica, one of the best examples of Byzantine architecture found anywhere in the world. See the famed Bell Tower and the Clock Tower, which displays not only the time of day, but also the dominant sign of the Zodiac and the current phase of the moon. Continue on to the Bridge of Sighs, which is made of white limestone; it passes over the Rio di Palazzo, connecting the old prisons with the interrogations rooms at the Doge's Palace. This afternoon is free. Perhaps you might enjoy a boat trip to the Lagoon Islands this afternoon - or a gondola experience this evening. Tonight, you are free to savor the seasonal flavors of this unique city's cuisine on your own.

**DAY 5 ~ TUSCANY**

This morning your group will depart Venice and begin its scenic bus journey to a lovely Tuscan villa for a two-night stay in the countryside. Tonight your home is a splendid villa not far from Florence that is surrounded by century-old trees and parkland. The villa offers a beautiful swimming pool which blends seamlessly with its delightful garden amidst the natural setting of the Tuscan hills. This evening your group will enjoy a dinner of local Tuscan cuisine at the villa, prepared with care by your friendly hosts.

**DAY 6 ~ TUSCANY**

After breakfast this morning, your group will travel to the gorgeous city of Florence by private bus. Upon arrival you’ll meet a local guide who will show you the Duomo (Cathedral Church) and Piazza della Signoria, a central gathering place for locals as well as tourists. Your tour will end with a visit to the Galleria dell’Accademia to admire Michelangelo's statue of David. After seeing so many of Florence's Renaissance attractions, the afternoon is yours to relax or explore further. You’ll return later afternoon to the villa, and prior to dinner enjoy a tasting of locally-produced wines.

**DAY 7 ~ ROME**

After breakfast your group will check out and travel by private bus through the beautiful, Tuscan countryside to Siena. This fine medieval city sits on gentle hills between three river valleys. Notice the medieval ramparts where you are greeted with the Latin inscription “Cor Magis Tibi Sena Pandit” (Siena opens its heart to you). Upon arrival a local guide will take your group through the maze of narrow streets to one of the finest squares in Italy, the Piazza Del Campo where the famous Palio Horse Race is held twice a year. You will also visit the 13th-century Cathedral to see its many works of art including the black and white marble walls and columns - as
well as the marble floors with decorative inlays.

After your tour of Siena and time for lunch, you will continue on to your hotel in Rome. This evening enjoy a farewell dinner at a local restaurant. After dinner your group will see the landmarks of Rome illuminated with the soft light of an Italian evening, and you’ll make a stop to toss your coin into the Trevi Fountain, a time-honored tradition to ensure you will again return to this Eternal City.

**DAY 8 ~ ROME**

After breakfast in the hotel, check out and transfer by private coach to Rome’s Fiumicino Airport for your return flight to the USA.

Spend two weeks visiting some of the most beautiful and interesting areas in Spain. This itinerary packs a punch in terms of history and culture – but it also has down time, moments for relaxation, sunning on the beach and listening to flamenco. It features large capital cities, seaside towns and historic villages. While visiting four diverse regions of Spain - Castile and León, Castile–La Mancha, the Community of Madrid and Andalusia – you will visit no fewer than eight UNESCO World Heritage Sites including the Alhambra Palace, the Roman Aqueduct in Segovia and the Old Town of historic Toledo.

**DAY 1 ~ ARRIVE MADRID**

Arrival to Madrid, Spain’s cultural (and lively) capital city. Upon arrival to Barajas Airport, your group will be met by a local guide in the arrivals hall of the terminal. As hotel rooms will not be ready until 2:00 pm, the guide will take your group on a panoramic sightseeing tour by bus before dropping the group off at the hotel. This is the perfect way to get an orientation of Madrid, which as can be expected – is a large capital city with lots to see!

On the panoramic tour you will see the exterior of the baroque Royal Palace, which was constructed in the 18th century and contains over 3000 rooms (imagine cleaning that) - as well as the nearby Plaza de Oriente, Teatro Real and Almudena Cathedral. You will also see spectacular Plaza Mayor square. (During the days of the Inquisition, many a heretic was burned at the stake here). You’ll also see the always bustling Porta del Sol and the lovely Paseo del Prado boulevard, home to the world-renown Museo del Prado. The tour will finish up at the hotel. Check in and relax before having a group welcome dinner in the hotel’s restaurant.

**DAY 2 ~ MADRID**

After breakfast in the hotel, meet your local guide in the lobby and prepare yourself for a real treat: a visit to the historic city of Toledo. (note: Toledo is one of those incredibly picturesque, medieval cities with cobblestones and hills – so please wear comfy shoes today). Many moons ago, Toledo was actually the capital of Spain. This was from the time of the collapse of the Roman Empire when the Visigoths showed up (4th century AD) to the time when the Moors invaded the Iberian Peninsula (8th century). Because of its historic and cultural value, Toledo’s Old Town is a UNESCO World Heritage Site. Its historical heritage is unparalleled. Perhaps the most interesting aspect of its history (which goes back to the Romans) is during the Middle Ages when Christians, Jews and Muslims coexisted quite peacefully and lived in flourishing, cultural communities.

Toledo has also had some pretty famous citizens including the painter, El Greco. While here your guide will take you inside...
Toledo’s Cathedral, which is one of the best examples of Gothic architecture in the world; the House & Museum of El Greco, which is located in the old Jewish Quarter; and the 14th-century Synagogue del Tránsito, a remarkable building that once served Toledo’s pre-Inquisition Jewish community.

During the tour, there will be a lunch break (on own). In the mid-afternoon, your group will return to the hotel in Madrid. The remainder of the day is at leisure. For those group members that want to relax but not necessarily in the hotel- consider spending the remainder of the afternoon in Madrid’s beautiful Retiro Park.

DAY 3 ~ MADRID
After breakfast in the hotel, you have a full day to yourself to explore Madrid. Consider visiting the Reina Sofia Museum or the Prado Museum. While they are both superb and definitely merit a visit, their collections are different. The Reina Sofia Museum contains artwork by modern painters (Salvador Dalí, Joan Miró and Pablo Picasso – including his masterpiece Guernica) while the Prado Museum contains masterpieces by traditional, Spanish painters like Diego Velázquez (yes, inside is his famous Las Meninas), Goya, Murillo and El Greco (who was actually Greek).

DAY 4 ~ MADRID
After breakfast in the hotel, meet your local guide for a full-day excursion to visit the towns of San Lorenzo de El Escorial and Avila. In San Lorenzo de El Escorial, you will visit its famous monastery, which was commission by King Phillip II in the 16th century. This massive structure stands as an outstanding example of Renaissance architecture and is a UNESCO World Heritage Site. While in San Lorenzo de El Escorial, you will also see the controversial monument, called “The Valley of the Fallen” which was commissioned under Franco and remains a stark reminder of the Spanish Civil War. After the guided tour of El Escorial, enjoy some free time for lunch before continuing your daytrip to Avila.

Avila is a walled city whose medieval walls were constructed in the 11th century. The walls are some of the finest in all of Europe and surround the Old Town’s remarkably well-preserved Romanesque churches, Gothic palaces and the city’s 11th-century Cathedral. It’s no surprise that Avila’s Old Town is also a UNESCO World Heritage Site. It’s also a place of religious importance as it was the birthplace of Saint Teresa, who was born in Avila in 1515. Your group will have a 2-hour walking tour of Avila before returning to Madrid. Upon arrival back to the hotel, the rest of the day is at leisure.

DAY 5 ~ MADRID
After breakfast in the hotel, today is your final daytrip from Madrid. Meet your guide in the lobby for an excursion to Segovia, an ancient city that lies north of Madrid, in the region of Castile and León. It was inhabited by indigenous Iberians long before the Romans arrived to settle there. During the Middle Ages, Segovia was an interesting, multicultural city with a strong trade industry, and Queen Isabella I herself was crowned here in the 15th century. Today you will visit its Old Town and its incredible aqueduct, both of which form a UNESCO World Heritage Site. The Romans finished building the Aqueduct of Segovia during the 2nd century. Today it is still remarkably intact. While in Segovia, your group will also visit the dramatically stunning Alcazar (Royal Palace), which is almost 1000 years old - and the Cathedral of Segovia, a superb example of 16th-

century, Gothic architecture. (There will be free time for lunch during today’s excursion). Your group will return to Madrid in the late afternoon and will have the remainder of the day at leisure.

**DAY 6 ~ CORDOBA**

After breakfast in the hotel, all group members will check out and transfer by private bus to the train station, where it will board the very convenient, high-speed train to the city of Córdoba. Your next week will be spent in one of Spain’s most beloved regions: Andalusia. Travelers and locals alike love slower-paced, flamenco-loving, sherry-producing Andalusia. Its mudejar architecture, whitewashed villages, fantastic beaches and friendly locals represent a glimpse of what this region has to offer. Out of all of Spain, this is the area that has been most influenced by its Moorish past. (The Moors lived in what we today know as Spain for 800 years. In fact the name Andalusia comes from the name of the Muslim Kingdom “Al-Andalus.”

Many of the cities that you visit on this itinerary were all heavily impacted by the Moorish culture – Toledo, Seville, Cadiz, Granada, Córdoba, Malaga. Despite the fact that the Catholic Kings (Ferdinand & Isabella) kicked the remaining Moors out of Spain in 1492 – you will still evidence of the highly sophisticated, multicultural and scholarly Muslim culture that once existed in Andalusia.

As you will arrive to Córdoba in late morning - when your hotel rooms will not yet be ready for check-in – your group will meet a guide and set off on a walking tour of this truly fascinating city. 1000 years ago, not only was Córdoba the capital of the entire Muslim kingdom of Iberia, it was also one of the most advanced, cultured and economic cities in all of Europe. It was a city of universities, bath houses, incredible mosques and libraries. Córdoba was home to some of the greatest philosophers, writers and scientists of its age. Unsurprisingly, its Old Town is a (you guessed it) UNESCO World Heritage Site. Your group will begin its guided tour walking through Córdoba’s ancient quarters. A group lunch will be provided in a local restaurant during the tour – and after lunch the group will continue the guided tour with a visit inside Córdoba’s crowning achievement: its Mosque–Cathedral. The tour will finish at the hotel where group members can check in, relax and spend the rest of the evening visiting Córdoba’s mesmerizing Old Town.

**DAY 7 ~ GRANADA**

After breakfast in the hotel, your group will check out and transfer by private bus to Granada. Upon arrival to the hotel, group members will store their baggage with hotel’s reception staff and go off in search of a quick lunch before reuniting for this afternoon’s sightseeing tour of the Alhambra Castle Complex (a UNESCO World Heritage Site).

Located in the foothills of the Sierra Nevada Mountains, as soon as you arrive to Granada, you’ll feel that you have gone much higher in altitude – and you have. Compared to other parts of Andalusia, Granada - while only being an hour from the Mediterranean Coast – is much greener and cooler than other cities. Another practical aspect (due to its higher altitude) is that Granada strategically offers its residents a pretty great view when about to be attacked. All these reasons contributed to why the Muslim sultans decided to build their magnificent Alhambra citadel here in the 9th century, which you’ll tour this afternoon. Granada was the last Muslim city in all of Spain to fall to the Catholic Kings, Ferdinand & Isabella, in 1492. (Yes,
the same year that they financially backed Christopher Columbus’ voyage to the “East” and led the raging Inquisition; it was a busy year for the Spanish monarchs). Their Christian “Re-conquest” finished here in Granada, just in front of the city’s legendary Alhambra Palace, whose beauty we will not attempt to describe here. We will say though that your jaw is sure to drop a few times while inside. After the visit, the group will return to the hotel and have free time to relax and have dinner before tonight’s flamenco show.

**DAY 8 ~ MALAGA**

After breakfast in the hotel, group members can check out, store their baggage with the reception staff and explore Granada on their own. We recommend wandering the Albaicín, the city’s historic Muslim quarter. After lunch (on own) all group members should arrive back to the hotel to pick up their baggage and board the bus to drive south to Spain’s sunny Costa del Sol. You’re heading for Málaga, the seaside birthplace of Pablo Picasso. Upon arrival to the hotel, the group will check in and have the rest of the evening at leisure to enjoy Málaga’s night scene.

**DAY 9 ~ MALAGA**

After breakfast in the hotel, enjoy a full day on your own in Málaga. While we strongly recommend visiting the Picasso Museum – we also like spending the day on the beach (doing absolutely nothing except for a tapas break or two); this is after all a pretty great stretch of Mediterranean coastline! Beach suggestions: try La Malagueta or El Palo.

**DAY 10 ~ CADIZ**

After breakfast in the hotel, the group will check out and travel west by private coach to the beautiful, mountain town of Ronda. Ronda’s history dates back to the Romans, but upon arrival- your group will meet a local guide for a guided tour of the town’s Plaza de Toros, the oldest bullring in Spain. After visiting inside the bulling, enjoy a couple hours of free time to have lunch and explore Ronda’s scenic Old Town before re-boarding the bus to travel to tonight’s destination: the coastal city of Cadiz. En route to Cadiz, you will pass by many vineyards and the town of Jerez de la Frontera. This is “jerez” country! (Or as we say in English “sherry.” Why not try a glass this evening?) Upon arrival to the hotel in Cadiz, check in and enjoy some free time before tonight’s group dinner.

**DAY 11 ~ CADIZ**

After breakfast in the hotel, meet your local guide for a morning sightseeing tour of the wonderful city of Cadiz. Unusually located on a small stretch of land and surrounded by sea – Cadiz is one of Europe’s oldest cities. Originally founded by the Phoenicians, the strategically-located port city of Cadiz has played host to Greeks, Romans, Visigoths, Moors – and even the English Royal Navy. In addition to its world-renown Carnival celebrations, Cadiz is particularly known for its lovely squares (plazas), which your guide will include on this morning’s tour. After the walking tour has finished - enjoy the rest of the day to continue sightseeing, shop or relax on the beach.

**DAY 12 ~ CADIZ**

After breakfast in the hotel, the group will check out and travel north by private coach to Seville, Andalusia’s colorful capital city. Seville has great architecture, flamenco and sightseeing – and the ambience couldn’t be any better. In any
old neighborhood bar you’re liable to see local sevillanos passing around a guitar, playing flamenco melodies as everyday patrons sing along. Don’t pass Seville off as all fun and drinks though. This former Roman city is oozing with cultural heritage; in fact - its Old Town contains no fewer than three UNESCO World Heritage Sites.

As your group will arrive mid-morning to Seville - before your hotel rooms are ready for check-in - upon arrival store your bags with the hotel staff and meet your local guide for a terrific sightseeing tour (walking & bus), during which free time will be given for lunch. On the tour, you will go inside tour two of the aforementioned UNESCO World Heritage Sites: the 14th century-Alcázar palace complex and the Cathedral. The Alcázar palace, which is still used today by the Spanish royal family, is a superb example of mudejar architecture, and you will see similarities between this stunning palace and the Alhambra palace in Granada. While the alcázar’s rooms are out-of-this-world, perhaps the most beautiful part of your visit will be inside its gardens. After the palace visit and a quick walk, your group will then visit Seville’s magnificent, 15th-century Cathedral (the largest Gothic building in the world). Inside are the presumed remains of Christopher Columbus.

The sightseeing tour will finish back at the hotel in the afternoon, when group members can check-in, relax and freshen up. This evening, everyone will meet back in the lobby and head to Seville’s Barrio de Santa Cruz with a local guide. Enjoy a one-hour, pre-dinner-warm-up walking tour of this medieval, Jewish neighborhood. The guide will leave your group at a neighborhood restaurant for its final evening in Andalusia.
The Best of England and Wales

10 DAYS/9 NIGHTS – GROUP TRAVEL
SUGGESTED ITINERARY CAN BE CUSTOMIZED

This tour covers the breadth of England and Wales including impressive castles, fairytale cottages, porcelain factories, iconic monuments and more. In between visits to a historic university, the birthplace of Shakespeare and impressive museums, you will delight in the scenic views of Wales and the English countryside.

Upon arrival to London, your group will clear customs and meet its tour director in the arrivals hall. From here the group will head out for England’s West Country by private coach. Travel through quaint towns with thatched roofs and red, bricked cottages to Salisbury where we will visit mysterious Stonehenge. More than 4,000 years ago, the people of the Neolithic period decided to build a massive monument using earth and stones, placing it high on Salisbury Plain. Marvel at this work of primeval architecture. We continue on to the historic City of Bath. First settled by the Celts (legend has it that they discovered the hot springs’ medical qualities) and later occupied by the Romans, Bath became a fashionable resort during the Victorian Era.

DAY 2 ~ CARDIFF

This morning after breakfast we will visit the magnificent Roman Baths. We then head to Cardiff, the capital of beautiful Wales. As one of Europe’s youngest capitals, Cardiff has a progressive and confident personality to match. A century ago, it was the busiest coal port in the world. Today those very docks have been transformed into a dazzling waterfront complex of restaurants & visitor attractions.

DAY 3 ~ CARDIFF

This morning after breakfast we will set out to explore some of Cardiff’s history at magnificent Cardiff Castle. Situated in the very heart of the capital, alongside city-center shopping and the magnificent Bute Park, the castle’s fairytale-like towers conceal an elaborate and splendid interior. Contained within its mighty walls is a history spanning nearly 2,000 years, dating from the coming of the Romans in the first century AD. The balance of the day you are free to explore on your own. You will never be at a loss for something interesting to see or do in and around Cardiff: arts, heritage, sports, family attractions and much more are within easy reach. With Cardiff’s proximity to the coast and the mountains, the city truly has something for everyone. The city’s arts facilities are exceptional, with the National Museum and Gallery housing the second largest Impressionist collection after Paris. Cardiff’s Bay has been transformed into a stunning waterfront with a wealth of attractions, leisure facilities and its own scenic beauty.
Visitor Center 'The Tube' full of information. This evening enjoy a Welsh Banquet at Cardiff Castle.

**DAY 4 ~ COLWYN BAY**

This morning after breakfast we will be heading to north Wales and the Colwyn Bay area. Our first stop of the day is Portmeirion, the fascinating Italianate fantasy village created by Sir Clough Williams-Ellis, and home to the Portmeirion pottery. Here, the Tour Director will offer an optional exciting ride on one of Wales' Great Little Trains from Minffordd to Blaenau Ffestiniog. This narrow-gauge steam railway takes you back in time while enjoying some of the stunning scenery of the Snowdonia National Park.

**DAY 5 ~ COLWYN BAY**

This morning we head to the Isle of Anglesey where we will visit the village most commonly known as Llanfairpwllgwyngyll. The longer name of the town is officially the longest recognized place name in the UK and one of the longest in the world standing at 58 letters in length (51 in the Welsh alphabet). Visit the train station and have your picture taken with the station sign or visit the nearby Visitors Center. While in Anglesey keep a close eye on the locals as this is now the home of HRH Prince William and the Duchess of Cambridge, Princess Katherine. While in Anglesey we will then head to Conwy where we will visit Conwy Castle, a masterpiece of medieval military architecture. Walk along walls that are over 700 years old.

**DAY 6 ~ STRATFORD-UPON-AVON**

This morning after breakfast we will head to Chester. Upon arrival we will have a tour of this town before you are free to explore. With 2,000 years of history, this is one of Europe’s top heritage cities - and it is easy to see why! Chester boasts a complete circuit of walls, sections of which date back to Roman times, as well as a Norman cathedral. The famous Rows, unique two-tiered galleries built in the traditional black and white 'magpie' style, contain a wide range of shops selling goods from antiques to high fashion. In fact the city is one of the top retail centers in the UK, boasting large branches of national stores and attractive shopping malls. Our route then brings us through the bustling heartland of England and by the towns of Stafford and Stoke-on-Trent, both famous for their fine porcelain and china. Here we will stop to explore the creative delights of the famous Wedgwood Factory. At Wedgwood we shall tour the working factory and see the processes that go into creating a Wedgwood piece. There is also time for shopping not just for Jasper, but also Black Basalt, Queensware and others. We continue on to Stratford where we will spend the next two nights.

**DAY 7 ~ STRATFORD-UPON-AVON**

Today after breakfast we will explore Stratford-upon-Avon, the birthplace of William Shakespeare. Set in the beautiful, rural Warwickshire countryside, on the banks of the River Avon, it is one of the most historic destinations in the United Kingdom. The house has been owned by the Shakespeare family from the time of Shakespeare’s father, John Shakespeare. Today it is owned by The Shakespeare Birthplace Trust. The house holds 400 treasures in 8 rooms, including documents, portraits, pictures and old coins. This afternoon we will enjoy a tour of the Cotswolds, enjoying the charm, stunning scenery and charming towns and villages that this area has to
offer. After an early dinner we will attend a performance at the Royal Shakespeare Company Theatre.

**DAY 8 ~ LONDON**

This morning we head south to London. Our first stop is Oxford, which is situated on the River Thames and best known for its university. Founded in the 12th century, Oxford University is one of the oldest universities in England. It dominates the life and culture of the city. The University is divided into many different colleges with the most famous colleges being Balliol, Trinity and Christ Church. Each one maintains its own style and features beautiful architecture. The great hall at Christ Church was used as a location for the Hogwarts School of Magic in the Harry Potter films. We board our coach again and head south to Windsor Castle, the residence of Her Majesty the Queen, and the largest inhabited castle in the world. View the guard change, the fantastic Doll's House and St George's Chapel where many Kings and Queens are buried. The lavish staterooms are of breathtaking elegance and beauty. After a busy day we arrive in London and check into our hotel for our last two nights.

**DAY 9 ~ LONDON**

This morning after a full breakfast, we board our coach for a full-day tour of this exciting city. We will see such historic sites as Buckingham Palace, the colorful pageantry of the Changing of the Guard, Westminster Abbey, where the Kings and Queens of England are crowned, Parliament and Big Ben, Trafalgar Square, Piccadilly the traditional "Heart of London," and the massive Tower of London. Inside a history of intrigue, injustice, treason and torture lingers at every turn. Anne Boleyn was executed at the Tower, and tradition says the Little Princes (Edward V and his brother, the Duke of York) were murdered inside as well. The Jewel House with its priceless treasures of the Royal Regalia and the Yeoman Warders (also known as Beefeaters) in their Tudor uniform, provide a contrast to the grim, yet fascinating interior of The Tower of London. This evening you are free to explore the multitude of restaurants and bars in this cosmopolitan city, where every taste under the sun is catered for.

**DAY 10 ~ LONDON**

After breakfast, we bid farewell to England and Wales as we board our coach for transfer to Heathrow Airport where group members will board flights to return to the US.

The Best of Scotland

8 DAYS / 7 NIGHTS—GROUP TRAVEL
SUGGESTED ITINERARY—CAN BE CUSTOMIZED

Aye, Scotland is full of wild heath covered landscapes, haunting bagpipe music, romantic castles and distinctive kilts. However, it's also the land where golf began and where some of the finest whiskies are blended. Gritty Glasgow is as well known for its art as for its urban environs and Edinburgh is full of intrigue with its narrow passageways and layered history concentrated in one mile of the old city.

DAY 1 ~ ARRIVAL IN GLASGOW
Upon arrival at Glasgow airport, collect your luggage and proceed to the arrivals hall. A representative will be there to meet you and direct you to your motor coach. After boarding we will take a city tour, passing the monuments in George Square, the Royal Concert Hall and Glasgow Cathedral: a magnificent medieval structure built in the 14th century. This afternoon there will be an opportunity to visit the Burrell Collection, a private collection of over 9000 works of art that was donated to the City of Glasgow. This evening we will enjoy a welcome drinks reception followed by evening dinner together.

DAY 2 ~ GLASGOW
This morning after breakfast we will travel south along the Ayrshire coast and into poet Robbie Bur's country, where we will visit Burns Cottage in Alloway where you can walk in the footsteps of Tam O'Shanter in Alloway's "auld haunted kirk" and across auld Brig O'Doon, where Tam's mare, Meg had her narrow escape from the witches. We continue on to the 18th century Culzean Castle, which overlooks the Atlantic coast. Part of this Castle was gifted to General Eisenhower who resided here during his presidency and retirement on several occasions. We return to Glasgow for your included dinner at the hotel.

DAY 3 ~ INVERNESS
After breakfast we head to Glengoyne Distillery where you will be welcomed with a wee dram of Scottish whiskey followed by a tour of the distillery. Continue into the sample room where you will learn the art of being a master blender, then before leaving you will have the opportunity to create your own special blend to bring home. We continue on to the "Bonnie, bonnie banks of Loch Lomond" where we will stop for a short cruise on this famous Loch. So much myth, legend and history precedes a visit to the expanse of Glencoe and Loch Leven, that many visitors are unprepared for the sheer beauty and breathtaking serenity of this vast sweeping pass. We will pass Urquhart Castle, a stronghold on a rocky peninsula overlooking Loch Ness, where we will stop for pictures. Continuing on to Inverness, the capital of the Highlands and our hotel tonight, we will enjoy an evening dinner together.

The Netherlands Tour

8 DAYS/7 NIGHTS – GROUP TRAVEL

SUGGESTED ITINERARY - CAN BE CUSTOMIZED

This vacation itinerary allows your group to fully appreciate the many facets of The Netherlands: 17th century canals, floating flower markets and a spectacular countryside dotted with windmills. Experience WWII history, Delft pottery - and the world’s best tulip gardens. This itinerary bases your group in two distinctly different Dutch cities: the capital city of Amsterdam and the Hague, the official home to the Dutch government and the Dutch monarchs. Whether you like historic or modern, rural or urban, Edam or Gouda - this itinerary offers the best of all.

DAY 1 ~ ARRIVAL IN AMSTERDAM

Arrive in Amsterdam, the capital of the Netherlands. After exiting customs, meet your local assistant in the terminal’s arrivals hall. Your group will then travel by private coach to the hotel. Even though your group will arrive before the hotel’s check-in time, feel free to store your luggage with the reception staff. There will be free time until this evening to begin exploring Amsterdam. Tonight join your fellow group members for a welcome dinner of Dutch specialties in the hotel’s restaurant.

DAY 2 ~ AMSTERDAM

After breakfast in the hotel, your group will meet a local guide in the lobby for an exciting, full-day tour of this scenic city. (Depending on your hotel’s location, the tour may be entirely on foot or partially on foot/by private coach). Approximately 800 years ago, the Amstel River was dammed, giving the town its name. Where medieval fishing boats once docked, your group will see 17th century houses, street performers and some of the city’s most luxurious stores. Here in Dam Square lies the historic heart of Amsterdam. See the Royal Palace, which was originally constructed as the Town Hall. Pass the Mint Tower, with its clock and bells that still seem to echo Amsterdam’s Golden Age. Also of particular interest is the 16th-century Weeping Tower, which according to legend derived its name from the sailors’ wives who used to bid their husbands an emotional farewell from here. Your group will pass the Floating Flower Market on Singel Canal, which is a stunning mass of flowers strung along the canal on permanently-moored barges. After free time for lunch, the tour will continue with a fun boat tour of Amsterdam. This is undoubtedly the best way to appreciate this city of canals. From here, the group will have a guided tour inside one of Amsterdam’s best museums: The Van Gogh Museum (admission and guided tour is included). The tour will finish back at the hotel or in the city center if preferred. The evening is free to relax and dine in one of the city’s local restaurants.

DAY 3 ~ AMSTERDAM

After breakfast in the hotel your group will depart on an excursion of windmills, wooden clogs and cheeses. The first stop

- Admission tickets as outlined in itinerary

HIGHLIGHTS

Afterwards, the group will proceed east to the lovely fishing village of Volendam. A stop at a traditional cheese farm will take place before returning to Amsterdam, where the group will have the rest of the day at leisure. Group members could consider taking a tour of the Heineken Experience to learn more about one of the Netherlands’ best exports. Alternatively for those wanting to relax, consider heading to one of Amsterdam’s many parks.

**DAY 4 ~ AMSTERDAM**

After breakfast in the hotel, the group will proceed to the Anne Frank House, where eight people from three separate families lived together in near total silence for more than two years during World War II. It was here that Anne wrote her famous diary as a way to deal with the boredom and her youthful jumble of thoughts, which had as much to do with personal relationships as with the war and the Nazi terror raging outside her hiding place. Afterwards, the group will have lunch together in a traditional, Dutch pancake restaurant. This afternoon the group will continue its sightseeing with a guided tour of the impressive Rijksmuseum, home to masterpieces of Holland’s Golden Age, including some of Rembrandt’s best works.

**DAY 5 ~ THE HAGUE**

After breakfast & checkout, the group will travel west to the lovely city Haarlem, where it will have a walking tour followed by free time for lunch. (Groups interested could tour the Corrie ten Boom Museum while in Haarlem). Afterwards, continue south to the city of Lisse to tour the legendary Keukenhof Gardens where vast numbers of tulips, daffodils and hyacinths create dazzling patches of color. Blooms here - at their peak - have a short but glorious season. The park is said to be the greatest flower show on earth, and it’s Holland’s annual spring gift to the world. (Note: Keukenhof is only open from March to May. For groups traveling outside of that time, a guided tour of the city of Leiden is recommended). After touring either Keukenhof Gardens or Leiden, the coach will proceed south to The Hague, our base city for the next three nights. The Hague is home to the Dutch monarchy (three royal palaces are located here), Parliament and the Supreme Court. On an international level, The Hague is home to the majority of the foreign embassies, the International Court of Justice and the International Criminal Court. Upon arrival, group members will check in and have free time to freshen up before dining together in the hotel.

**DAY 6 ~ THE HAGUE**

After breakfast in the hotel, the group will begin with a guided tour of The Hague with admission included inside the 13th century Knights’ Hall. Today a political building, this beautiful structure was originally constructed as a castle for Dutch nobility. After free time for lunch, the group will proceed to the lovely city of Delft, which is famous as home to the handcrafted, blue & white pottery. Your group will have a guided tour of the factory and free time afterwards to explore Delft before returning to the hotel in the late afternoon. The evening is free to enjoy The Hague.

**DAY 7 ~ HAGUE**

After breakfast the group will travel to the Netherlands’ second largest city, Rotterdam, which contains one of the
largest ports in the world. Full of wonderfully modern architecture and beautiful city planning, the group will have a guided city tour. See the spectacular gardens of the Arboretum Trompenburg as well as the Museumpark, the Nationale Nederlanden, the World Trade Center, the Cube Houses – and the Erasmusbrug & Nieuwe Willemsbrug bridges. There will be time for lunch on own and shopping before returning to The Hague. Farewell group dinner in a local restaurant.

DAY 8 ~ THE HAGUE
After an early breakfast, the group will drive by private coach to Schiphol Airport for its return departure flight to the USA.

France’s region of Provence and the Cote d’Azur is home to fields of lavender, rosé wines, castles, bouillabaisse soup, Roman ruins, turquoise beaches, perfume-making, pastis liqueur, ratatouille and picturesque rocky inlets along the Mediterranean. Stroll down Nice’s seaside promenade. See the countryside that inspired Matisse, Cézanne and Van Gogh. Experience the glamour of Monaco. Visit the picturesque and historic town of Avignon. Cruise through Marseille’s iconic calanques. Visit Nîmes’ 2000-year-old Roman amphitheatre. See the Pont de Gard aqueduct. Taste local Provencal wines. This tour will show you the charm of the countryside – and the glamour of the French Riviera.

**DAY 1 ~ ARRIVE NICE**

Bienvenue à Nice, a beautifully relaxing and utterly scenic city on France’s famed French Riviera. In addition to having fantastic art museums and vibrant, turquoise beaches – Nice is also an excellent base city for exploring this stretch of the Cote d’Azur. Upon arrival to the airport, a local guide will meet your group in the arrival hall and accompany it to the hotel by private bus. Depending on our flight’s arrival time, upon arrival to the hotel you and your fellow group members will either store baggage with the reception staff and enjoy time for free lunch (in the event that you have arrived before the 2:00 pm check-in time) or (in the event that you have arrived in mid-late afternoon) will directly check-in, freshen up and the join the guide downstairs for a walking tour of Nice’s beautiful Old Town.

Founded by the ancient Greeks, the historic city of Nice is almost 2400 years old. In the 9th century it was badly damaged by the Muslim Saracens. By the early Middle Ages, it was often politically in league with Italian kingdoms, particularly with Pisa – and even as few as 150 years ago it was ruled by the Kingdom of Sardinia. By the mid 1700’s Nice - because of its pleasant climate – developed as a winter vacation destination for wealthy Northern Europeans, particularly the English. During your afternoon walking tour of Nice’s charming Old Town, you will visit the city’s lovely flower market on Cours Saleya and see the city’s main sights including Place Masséna, Place du Palais, Place Rossetti, the Promenade des Anglais and the city’s 19th-century Opera House.

The tour will finish back at the hotel, and your group will have a welcome dinner this evening in the hotel’s restaurant.

**DAY 2 ~ NICE**

After breakfast in the hotel, enjoy a full day at leisure to visit lovely Nice. Shop in the city’s boutiques. Have lunch at a seaside café. Swim in one of the most beautiful stretches of the Mediterranean, or pay a visit to one of Nice’s fantastic art museums such as the Beaix-Arts Museum, the Musée Matisse, the Musée d’Art Moderne et d’Art Contemporain (all three
of which are free of charge) or the Musée National Marc Chagall.

**DAY 3 ~ NICE**

After lunch in the hotel, meet a local guide in the hotel for a fantastic sightseeing excursion by private bus. You’ll begin with a visit to Saint-Paul-de-Vence, a picture-perfect medieval village that is home to a thriving art scene. Its boutiques are a great place for those wanting to peruse boutiques that sell Provencal fabrics and local gourmet delicacies (olive oil, wine, fruit liqueurs, etc.). Afterwards you’ll carry on to the nearby city of Vence to visit its Rosaire Chapel, whose interiors were designed by Matisse towards the end of his life. This was a project of personal passion and dedication for the artist, and inside you will find gorgeous tile work, stained-glass and murals painted by Matisse himself.

From here you will travel south back towards the coast to one of the French Riviera’s crown jewels: Cannes, home to fashion, beautiful beaches and one of the most famous film festivals in the world. As we arrive, you will have free time for lunch and exploring followed by a fun, one-hour sightseeing tour on Cannes’ white “petit train” that will take you through Cannes’ medieval port and to the city’s best known destination: the seaside, star-studded promenade locally known as “la Croisette.” Return to Nice in the afternoon, and enjoy the evening at leisure.

**DAY 4 ~ NICE**

After breakfast in the hotel, meet your local guide for an interesting sightseeing excursion to Eze and Monaco by private bus. You’ll begin your day learning all about the word of French perfume in the scenic village of Eze at the Fragonard Perfumery. Enjoy a guided tour here before continuing east to the Principality of Monaco, the second-smallest independent state in Europe (after Vatican City) and a destination that oozes affluence and luxury. Upon arrival you’ll have free time for lunch followed by a guided tour of the Old Town. Then you’ll have some time to explore on your own (check out the casino) or see the Royal Palace before returning to Nice in the late afternoon. Enjoy one final evening at leisure in Nice.

**DAY 5 ~ MARSEILLE**

After breakfast in the hotel, your group will check out and begin traveling west by private bus along the pristine Cote d’Azur (which literally means “Azure Coast.”) Your first stop is the seaside town of Le Lavandou where you will visit Domaine de l’Anglade, a wine estate that has been run by the same family for the past three generations. Quite unusually for a vineyard – it’s located on the beach. In general, Provence is well-loved for its production of rosé wines. That being said - its red wines are beginning to capture the attention of the wine world. (And nearby Cassis produces excellent white wines). Since the time of the ancient Greeks first settlements, wine has been produced in this part of France for almost 3000 years. Enjoy a guided tour of the wine estate followed by a wine tasting. Then head to a local restaurant for an authentic, Provencal lunch with local seafood dishes with your traveling companions in Le Lavandou. After lunch, continue traveling west along the coast to Marseille: the capital of Provence, the second largest city in France and your base city for the next two nights.

Having been founded as a port city by the Greeks, at 2600 years old, colorful Marseille is one the oldest cities in Western Europe. It’s also been selected as the official European Capital of Culture in 2013.
Upon arrival to Marseille, you will check-in at the hotel and then immediately meet a local guide for a late-afternoon / early-evening walking tour of the Old Port. Tonight, the evening is free for you to enjoy Marseille. For dinner, consider trying bouillabaisse, a fish stew delicacy that hails from Marseille.

**DAY 6 ~ MARSEILLE**

After breakfast in the hotel, meet a local guide in the lobby. Today you’re in for a real treat: a sightseeing excursion of Marseille’s famed Massif des Calanques. The calanques can be described as rocky stretch of land along the coastline that contains dramatically carved-out, limestone coves. (They resemble fjords, which differ as they are carved by glaciers and not by the sea). The Massif des Calanques lies between the ports of Marseille and Cassis and spans approximately 12 miles. This is one of the most naturally beautiful areas in all of France. You’ll begin today’s excursion with a short drive to the scenic fishing town of Cassis. Here you will embark on a 90-minute cruise that will take you to eight of the most beautiful calanques. After this once-in-a-lifetime experience, you’ll return back to Cassis and enjoy some free time to have lunch and explore Cassis. It is often described as one of the least spoiled towns on the Cote d’Azur. In the mid-afternoon, your group will return to the hotel in Marseille, and the remainder of the day will be at leisure.

**DAY 7 ~ AVIGNON**

After breakfast in the hotel, your group will check out and board a private bus for another fantastic day of sightseeing. You’ll begin by heading northwest through the lavender fields and vineyards of the Provencal countryside to the very historic city of Arles, which is home to some remarkably well-preserved Roman ruins. This is also the setting that so inspired Vincent Van Gogh. He painted Café de Nuit, Starry Night and Les Alyscamps while living in Arles. Upon arrival to Arles in mid-morning you will meet a local guide for a walking tour. Afterwards, your group will re-board the bus and make the short drive to the city of Nîmes, which is home to one of the best preserved Roman amphitheatres in the world. Upon arrival you will have free time to have lunch, and then your guide will take you inside the city’s 2000-year-old Roman amphitheatre-turned-bullring. After the visit, your group will make a final stop before arriving to tonight’s destination of Avignon. You’re about to see one of the most famous sites in France: the ancient Roman aqueduct known as the Pont du Gard. This impressively constructed (and preserved) UNESCO World Heritage Site was constructed in 19 BC. In its heyday it transported water to over 30 miles to the Roman community in Nîmes. After seeing this ancient feat of engineering, proceed to Avignon.

Upon arrival to the hotel, you and your fellow travelers can check in and have time to freshen up before a group dinner tonight in the hotel’s restaurant.

**DAY 8 ~ AVIGNON**

After breakfast in the hotel, meet a local guide for a sightseeing tour of the historic, walled city of Avignon. Avignon was one of the most influential cities in Christian Europe during the Middle Ages. In fact - in the 14th century, the Pope moved the papacy from Vatican City to Avignon. This worked out quite well for about 70 years until the Pope returned to Rome and Avignon went ahead and elected a second pope (often called the anti-Pope)
DAY 9 ~ AIX-EN-PROVENCE
After breakfast in the hotel, your group will check out and travel south by private coach to the beautiful city of Aix-en-Provence. Founded by the Romans, this city oozes provincial, French charm. Being here really feels like you’ve gone back in time. Home to gorgeous squares, elegant fountains and lovely café-filled streets, Aix-en-Provence was a source of inspiration for post-Impressionist painter Paul Cézanne and for writers Ernest Hemingway and Émile Zola. Your group will arrive to the hotel mid-morning, drop its baggage off to be stored with the reception staff and immediately meet a local guide for a walking tour of postcard-like Aix-en-Provence. The tour will finish just before lunch time, and you will have the remainder of the day to enjoy exploring. Later on in the evening, your group will go to a local restaurant for one final dinner in France.

DAY 10 ~ AIX-EN-PROVENCE
After breakfast in the hotel, your group will check out and proceed to Marseille Airport for its return flight to the USA.
